This permit is valid only for the date a date stated above. A supplementary permit must be obtained for change of date or dates. No movement shall be made on Saturdays, Sundays or Legal Holidays. Movement shall be made during Daylight Hours.

GENERAL PROVISIONS

- 1. The granting of this permit does not guarantee that the load described can be moved without damage to the pavement or structures although the permit is granted on the assumption that the load can be moved without damage, based on the best information available.
2. Permittee will be held liable for any damage caused by the movement. The County assumes no responsibility for damage to the permittee's equipment or load being moved due to any such failure.
3. If requested, the applicant must file a bond or certificate of his liability insurance, showing that he has procured adequate bond or insurance to cover the provisions of paragraph two.
4. No vehicles or object(s) in excess of the legal limits prescribed bylaw shall be permitted on the highways on Saturdays, Sundays, or holidays, and no movement shall be started that cannot be completed before sunset on Friday or the day preceding a holiday.
5. All vehicle(s) operating under this special highway permit shall be manned by two or more operators or drivers.
6. No vehicle(s) or object(s) being transported under special highway permit shall be left parked on the roadway either day or night, except in case of an emergency, in which case adequate protection shall be provided for the traveling public.
7. Movements under this special highway permit shall be made during daylight hours only and in such a manner as to impede to the least possible extent the normal highway traffic.
8. All construction equipment and other machinery shall have attached thereto a plate showing the manufacturer's name and the model.
9. In the case of non-compliance with the provisions of this permit, same shall immediately be considered void and the operator of the vehicle subject to arrest.
10. The operator of the vehicle must comply with all laws, rules, or regulations governing the movement of traffic over highways and streets.
11. The permission granted restricts the movement of the vehicle(s) or object(s) to the highways specified between the points designated, and within the time allotted.
12. The issuing of this permit is not to be construed as making mandatory the granting of other permits when at the discretion of the County Engineer the route specified is considered incapable of withstanding the burden that would be imposed or too narrow to safely accommodate normal traffic in conjunction with the proposed excess load.
13. A permit is void at anytime, road, weather or traffic conditions make travel unsafe.
14. Reductions in legal weight posted on roadways or bridges must be obeyed.
15. A permit will not be issued for built-up loads that are divisible into legal loads.
16. Non-compliance with the general or special provisions of a permit, exceeding the weights or dimensions granted, or operating on dates or upon highways other than assigned shall render the permit null and void and the operator of the vehicle subject to arrest, as provided in Chapter 5577 of the Revised Code of Ohio.

SPECIAL PROVISIONS
